The Guest Love line is characterised by a unique and iconic style, with reference to the old English apothecary style. From the square bottle shape and the vintage graphics, the Guest Love products are ideal for modern spaces that are always attentive to new trends.

Guest love is a body care range for everyday wellbeing: cleanse and nourish without harsh chemicals giving a prompt beauty secret! All the formulas are made 100% in Italy, dermatologically tested and formulated without parabens, mineral oils and phenoxyethanol.

The collection includes bottles with cleanser specific for body and hair, varying solid soap sizes, pump dispensers. Completing the range, the personalised amenities pochette containing a practical block note with Guest love collection information.
